

Manufacturing Executive Roundtable

Cyber Resilience Act: From Compliance to Competitive Advantage

Date

10. September 2026

Time

08:00 – 11:00

Location

Eraneos Headquarters Zürich
Andreasstrasse 11
CH-8050 Zurich

About the Event

This exclusive roundtable brings together senior manufacturing executives to discuss the practical implications of the Cyber Resilience Act. Featuring insights from an expert involved in CRA standardisation bodies, participants will explore how to turn regulatory requirements into opportunities for resilience, innovation, and competitive advantage.
